**Coming up in April: Public Town Meeting for a Question & Answer session**  
Date and time will be announced in the April Newsletter so stay tuned.

**The Alberta Emergency Management Agency (AEMA)** will be conducting a province-wide test of the alerting system **On March 1, 2023 at 1:55PM**. Test alerts help us fix any system issues and ensure the system is ready to go when we need it most. They're also a valuable reminder to consider our own readiness to respond to an unexpected event.

## H2 Safety System

The Alliance Emergency contact list is a new initiative using the H2 safety system that has been used a few times to warn Alliance citizens about potential emergency or unpleasant situations such as black outs, water shut off, ...

This system warns you by sending a pre-recorded message to your phone or email. Our list is not entirely up to date, so we need your help by completing this self registration form or by contacting us at the Village Office.

To self register to the Emergency list go visit the Village website: [www.villageofalliance.ca](http://www.villageofalliance.ca) and click on the [Self registration to the Village Emergency Contact List](#) link that is on our main page.
