## Community Showcase

**A night of seeing, understanding & knowledge!**

**Tuesday, November 18, 6 PM**  
**Alliance Community Hall**

AWOF is inviting all organizations in Alliance and area to set up a table with all the information you have about your group or organization. We hope this will give everyone an opportunity to learn about all of the things you could take part in. It is your chance to join an organization as a volunteer, or to simply learn more about some of the activities and events that happen in our community.

Everyone is invited to join us for a light supper of ham, hotdogs and salad, and a time to see, understand and learn all about Alliance. There will be door prizes as well.

We really want all of our organizations to be present, and if possible to contribute a donation towards the cost of food and door prizes!

*So why not come out for an interesting evening and Someone new!*

***Everyone Welcome!!***

## Mayor's Corner

**Remembrance Day**

Council and staff are pleased to welcome our new Assistant Administrator, Jacquie Zacharuk. She has recently moved to Alliance from Edmonton and is excited to meet our residents and become an active part of our wonderful community. We hope you will stop in to welcome her starting November 3rd.

Please note that during the October Organizational meeting of Council, it was decided to change our regular Council meetings to the fourth (4th) Wednesday morning of the month. These meetings are always open to the public. If you have an issue to bring to Council, you are asked to notify the Office by noon the previous day so it can be placed on the Agenda.
