

The following was accidentally cut out of last month's news item.

Fire Department Volunteers - These people continue to take all the education they can to meet the standards - all fit into their full time jobs and lives. We are so grateful for their knowledge and expertise as well as kudos to the AWOFF the women who fund raise and support the efforts of our fire department so capably.

May 1, 2012

ACDC

- ☞ Once again we have requested funding from Celebrate Canada to assist us with our inductions of nominees to the Wall of Fame. Now is the time to pick up your nomination papers, at the Village Office, and nominate a worthy candidate.
- ☞ The museum is planning a tea for the Queen's diamond Jubilee, and ACDC will support this even in any way possible.
- ☞ Our Walking Tour map of the Village will be printed and distributed through our local attractions. It is also available at the Office.
- ☞ Congratulations to Denis Cantin and Isabelle Levesque, owners of the Commercial Hotel for winning Flagstaff County's February Business of the Month Award.
- ☞ This month your Mayor and Diane Dammann were two of the people inducted into Battle River Country Ambassador Program. They have been provided with Ambassador Tool kits that contain promotional items extolling the virtues of our community and region to whomever they meet, wherever they travel in the world.

Rec Department is having a rummage sale

Museum Musings

The Museum members continue to work very hard on getting the Doll Displays completed and will likely be holding a Grand Opening in May. Watch for more details to come.

When they purchased the building in fall of 2010, to accommodate the doll collection, the Village loaned the Museum Society \$30,000, to be paid back in monthly payments of \$500. However, this very industrious group have far outdone this and to date Have already paid back \$22,500.00. You should be very proud of this accomplishment!!

Fire Department news

In 2011, the Legion provided a grant of \$5,000 to be used for bunker gear and personal protective equipment. We now have all of our new volunteers completely outfitted in PPE that fits properly.
