Arena Update

If you've been checking on the progress of the new arena you will know that work is proceeding indoors now. Contractors are installing electrical, plumbing, walls and doors, and it will soon be time to call for some volunteer help from the community.

There are a number of tasks that we hope to be able to put our community volunteers to work. These will include building the arena boards and players boxes, helping to spread the fill and level it, painting in the lobby, dressing rooms, etc.

Please watch the Office Window and bulletin boards around town, as we will be posting a list of tasks that you may be able to help with. If you are willing and able, please contact the Village Office or one of the building committee to let us know then we will call you when the time comes to do the job.

Building committee members are Dell Wickstrom, Peter Spady, Ernie VanHecke, Norm & Tamina Miller, Denise Nychporuk, Raelene Bateman and Roger Spady.
